Sample Pen-Pictures On The Basis of Employee Final Score

Score : 90-100

This Employee always leads through personal example and his performance consistently exceeds expectations. He works meticulously, exhibits zeal & enthusiasm and has a high degree of achievement motivation. He maintains healthy relationships with peers across the departments. Highly conscious of quality, he retains focus on customer even while drawing up the performance plans for his subordinates. In all spheres of activity, he tends to outshine others.

Score : 80-90

A self-motivated and results driven executive who has consistently exhibited the capability to solve problems creatively. He has taken tremendous interest in the development of his subordinates. He can effectively lead a team & meet all targets. He, however, needs to refine his written communication skills.

Score : 70-80
